Subject: Notification on convening and conducting a public presentation to inform shareholders and investors on the free float requirement issues via electronic channel

**To: President
The Stock Exchange of Thailand**

Following the Stock Exchange of Thailand's ("SET") recent amendments on the free float requirements issues, a CF sign (Caution – Free Float) will be posted on the securities of listed companies that cannot meet the free float requirement. Per the SET regulations, these listed companies must arrange and conduct a public presentation to provide shareholders, investors, and concerned parties with relevant information on potential solutions within 15 days from which the CF sign is posted.

Given that Laguna Resorts & Hotel Public Company Limited's (the "**Company**") free float portion has not met the SET's requirement, the SET has announced the posting of CF sign on the Company's securities on 4 June 2024 and the CF sign has been posted on the Company's securities on 5 June 2024. The Company, therefore, has a duty to conduct a public presentation to provide further information to its shareholders and investors.

Therefore, the Company would like to invite the shareholders, investors, and concerned parties to participate in the Company's public presentation which is scheduled to be held electronically on Friday 14 June 2024, at 12:00 hours (noon time). To participate, a registration form can be found at <https://forms.office.com/r/WERK9WpzBM?origin=lprLink> or through scanning the QR Code below, and should be submitted before Wednesday 12 June 2024 at 17:00.
